To Whom It May Concern:

I am writing to recommend Rochester's Cornerstone Group, Ltd. for whom I've worked with over the past year on the Department of Housing and Urban Development (HUD) Rental Assistance Demonstration (RAD) conversion at the Batavia Housing Authority. I had the pleasure of working directly with Carol Oster, Vice President of Development and Robin Rubado, Director of Asset Management during the conversion.

Their leadership and interpersonal skills were excellent, they presented the information to us with a clear concise understanding of our goals and objectives. Communication is a key part of the process in order to have an accurate understanding of the program and how it relates to your organization.

With the abilities, adaptability, and dedication, Rochester's Cornerstone Group, Ltd., will be invaluable to you with your RAD conversion if you decide to hire them. If you have any questions, please feel free to contact me.

Sincerely,

Thomas Baines
Executive Director
